ACCOMMODATION

The bush house takes great satisfaction in standing out from the other lodges in the Madikwe Game Reserve. The lodge's original structure, a former farmhouse, has been renovated into an appealing facility. The lodge offers a cosy ambience, and the proprietors add their own special touch to the accommodations. Guests at this luxurious bush lodge, situated on the western edge of Madikwe Game Reserve, are encouraged to unwind and take it easy in the resort's friendly, casual setting. There are six rooms available at the Bush House, all with private bathrooms, and four of them also have private verandas with views of Madikwe's stunning landscape. Each room is an integral component of the main lodge and is conveniently located near all of the resort's amenities. The rooms are tastefully appointed, with luxurious touches like percale bedding and fluffy towels.

ITINERARY

- 1** Collection from either the airport or the location where you are staying in Johannesburg. There will be a refreshment stop. You will be greeted and shown about the lodge at The Bush House before being brought to the game-viewing hide as soon as you arrive at the southern gate of Madikwe Game Reserve early in the afternoon. After a swim to cool down, visitors may gather for savoury and sweet treats during afternoon tea. The evening wildlife drive, led by a seasoned local ranger, in an open safari vehicle. After the breathtaking African sunset, guests will have the opportunity to watch wildlife using spotlights in order to detect nocturnal animals. Dinner will be served at the lodge. This is an unforgettable experience, especially when it's served in the boma surrounded by a campfire. Get some rest in your chamber or go over to the hide.
- 2-3** Before departing on the early morning wildlife drive, rise before dawn and have a hot beverage. It's the finest time to observe predators like lions, leopards, and cheetahs and other wildlife. Your ranger will give interesting information about the behaviours of various animals and birds as you go along in the 4x4 vehicle, which offers fantastic opportunities for photography. After returning to the resort for a full breakfast, spend some time in the animal "hide" adjacent to the Bush House waterhole to continue your safari experience. Elephants, buffaloes, giraffes, zebras, and other animals may be seen drinking. Join your ranger for an evening game drive later in the day. The highlights of the day will be discussed over dinner, which will consist of classic bush food and maybe a bottle of South African Cape wine. Following another great meal on your third night in Madikwe Game Reserve, you will go on an afternoon game drive that may stretch into the night. At the end of the day, you will have a delicious meal and listen to traditional bush stories around a campfire.
- 4** Have some refreshments on the veranda before getting in the open safari vehicle to go on a wildlife drive at sunrise. Get a glimpse of some of the most elusive animals, like a leopard or a group of wild dogs. Visit the hide about mid-morning, when elephants are often drinking for one more photo op before leaving. When you have finished packing and have checked out of The Bush House, you will depart on a leisurely drive back to Johannesburg to arrive either at your hotel or the airport.
