3-Day Kruger Island Safari

KRUGER NATIONAL PARK

Picture this: a private 8-hectare island completely encircled by the flowing Blyde River in South Africa's stunning Lowveld—raw, wild, and pristinely untouched, where dense indigenous forests and crystal-clear waters create an exclusive sanctuary like no other. Kruger Island Safari Lodge redefines rustic luxury with river-view chalets and opulent tented suites, offering indulgent stays including Dinner, Bed & Breakfast for the ultimate in comfort and convenience.

What makes it utterly unique? Wildlife roams freely right around the lodge—spot majestic hippos basking in the river, stealthy crocodiles gliding by, playful porcupines foraging at dusk, various buck species grazing amidst the greenery, and home to resident African pythons—enveloping you in an authentic, untamed African experience without ever leaving your doorstep. It's a birder's paradise too, teeming with rarities like Trumpeter Hornbills, Pel's Fishing Owls, and African Finfoot, all set against the soothing soundtrack of the surrounding river. Adding to its charm is a very romantic setting, with two beautiful bomas to choose from for enchanting evenings under the stars.
