ULTIMATE VICTORIA FALLS DAY TOUR

VICTORIA FALLS

Whether you visit Victoria Falls around the month of May, when it reaches its zenith, or during any other time of year, it remains a truly awe-inspiring experience. What more can you wish for than to experience this tour of two hours in combination with a sunset cruise on the Zambezi? Let an experienced and qualified guide accompany you past the 'Big Tree' where you may stop and take the first of many photos. Next you will be accompanied through the rainforest where the guide will give a brief history of the Falls themselves as well as explain more about the flora, fauna, birdlife, wildlife, and other points of interest. You don't have to stress about your gear getting wet, since raincoats are provided when and where needed. You will enjoy a two-course lunch at the Lookout Restaurant and end the day with a Sunset Cruise on the mighty Zambezi. There just is no better way to relax and to enjoy the spectacular beauty of the Zambezi River than on a cruise while the sun is setting. Guests may be lucky enough to see a variety of animals as well as several different bird species.
