ACCOMMODATION

The Londolozi Founders Camp is comprised of a handful of quaint chalets that are nestled under the Matumi trees that run parallel to the Sand River. Classic safari vibes can be found in each of the chalets thanks to the original mahogany beds and black and cream ticking cloth upholstery. The bathrooms in the chalets are spacious, and some of them feature both outdoor showers and bathtubs. Additionally, the chalets offer individual decks with plunge pools and great views of the river and the surrounding wilderness. In addition, there is a main lodge at the campground that features a sitting space, a dining area, a bar and a library. You can take advantage of a lounge along the river, where you can relax while watching animals come to the watering hole. The resort features a health club, a pool, and a spa for its guests.

2-3 Wake up to the sounds of nature and enjoy a hot beverage and rusks before heading out for your morning game drive. Learn more about the captivating behaviour and ecology of the wildlife from your guide. Back at the camp, enjoy a brunch and relax for the rest of the day at the pool, reading a book, or indulging in a spa treatment. Later, get ready for an afternoon game drive, where you will have more opportunities to see animals. Watch the sunset and listen to the sounds of the night when driving back to the camp to be in time for another tasty dinner under the stars. 4 On your final day, rise early once more and enjoy your hot beverage and rusk before experiencing your last game drive and another beautiful sunrise among your new animal friends.
