4-DAY SABI SABI SELATI SAFARI

**SABI SANDS PRIVATE
GAME RESERVE**

This opulent resort is the ideal place for nature lovers and life enthusiasts to find sanctuary on a 4-day safari; it evokes feelings of bygone safaris and exciting real-life adventures. The essence of Africa, both as it is today and as it was in the past is wonderfully captured at Selati Camp, which combines the personalised luxury of a safari with the old-world charm of the turn of the century. The Sabi Sabi Game Reserve, which is a part of the Greater Kruger National Park, is a popular tourist destination for people from all over the world. The surrounding area is home to a wide variety of native animals, including the "Big 5" (lion, leopard, rhinoceros, buffalo, and elephant), cheetahs, wild dogs, and about two hundred other kinds of native animals. Kids are more than welcome to stay in Selati Camp in the event that the lodge is booked out completely.

ACCOMMODATION

Selati Camp is decorated with a train theme because the Selati Line, a historic branch railway from the interior to Delagoa Bay in Mozambique, passed the Sabi Sand Reserve many years ago. Original steam engine name plates, signals, and shunter's lamps light the way to interesting mementos and collector's treasures in each room. There are five luxury suites, a honeymoon suite, and a presidential suite, as well as an outdoor lounge, a swimming pool, a boutique shop, a bar, and a safari deck. The outside Boma hosts authentic safari-style dining. The resort has complete Wi-Fi connectivity to connect with the outside world, and backup electricity systems ensure that power interruptions do not disrupt your safari.

ITINERARY

1 Your adventure begins when you arrive at the lodge. Your transport from Johannesburg to the lodge can be arranged (shuttle, private transfer and flights) at an additional cost. You will arrive at the Sabi Sabi Selati Camp, where you will be welcomed by friendly staff and shown to your luxury suite. After settling in and relaxing, you will hop on an open safari vehicle and depart on your first game drive in the reserve, where you will encounter amazing wildlife and nature. You will return to the lodge for a delicious dinner and a cosy night in your suite.

2-3 You will get up early, have time for rusks and a cup of hot coffee, and then go on a three-hour game drive at daybreak. When you return to the lodge, you can have brunch and decide whether to spend the rest of the day in the lounge or at the pool. Around 16:00, you will go on your afternoon game drives so you can be back in time for another starry dinner.

4 Enjoy one last early hot beverage and rusk before departing on your final morning game drive in the reserve. You say goodbye to the African dawn and head back to the lodge for breakfast before your departure.
